- 4/26/2289/DOC DISCHARGE OF CONDITIONS 10&11 OF PLANNING APPROVAL 4/25/2048/0F1. FORMER GROVE HOTEL CLEATOR. F SCOTT BUILDERS LTD.

No Issues raised with the above applications.

601/26 Update on Fibrus/Viberoptix Wath Brow.

Clerk updated members on the agreed plan to remove the two telegraph poles at 'Hen Beck'. Three options were put forward by Fibrus with option 3 being agreed which will see the network being rerouted from the other side of the bridge and the removal of the two poles plus the removal of a third pole next to the site which would become redundant. As part of option 3 the cables would need to be routed along the route of the road behind the beck to East Dent cottages, this would mean Fibrus requesting a wayleave to bury a section of cable on Town Council land along the roadside to join an existing telegraph pole some 50 metres along this section.

Members voted on this proposal and a unanimous decision agreed to ask Fibrus to provide full details of the requested wayleave including the restoration of the land used.

602/26.Remembrance Sunday.

Members were updated on the road closure application and plans for the crib to be placed outside the Civic hall for this year during the works to the square. Members also agreed to the proposed infrastructure works to the seasonal lights wiring and junction boxes while the market square is not available to be used, this will be done to ensure all lights and fixtures are updated for next year whilst also allowing for a limited display to be put up this year on high st with cross st displays on High st and Jacktrees road as well as the lights and cross st at Cleator Main St.

603/26Updates from other meetings.

No Updates.
